

City of Saint Paul Bicycle and Pedestrian Count Form

Name: _____ Date: _____

Screen Line Location (see attached map): _____

Start time: _____ End time: _____

Weather (temperature/conditions): _____

Instructions:

- Count all bicyclists and pedestrians crossing your screen line.
- A person crossing both screen lines is counted once on each sheet.
- A person passing through an intersection without crossing a screen line is not counted.
- Use tally marks in groups of 5 to indicate each bicyclist or pedestrian (4 = ||||, 5 = |||||).
- Count the number of people bicycling, rather than the number of bicycles.
- If issues arise (distractions, traffic) and you lose track, make a note on the back of this sheet.

Time	Bicyclists			Pedestrians	
	Street	Trail	Sidewalk	Walking	Assisted ¹
4:00 - 4:15					
4:15 - 4:30					
4:30 - 4:45					
4:45 - 5:00					
5:00 - 5:15					
5:15 - 5:30					
5:30 - 5:45					
5:45 - 6:00					
Total					

¹ Includes individuals using wheelchairs, skateboards, roller blades or other devices. **Someone riding a bicycle is a bicyclist, someone walking a bicycle is a pedestrian.**
